The Commerce United Methodist Church Scholarship Fund

The Commerce United Methodist Church Scholarship was established in the Spring of 1992 by members of the church to provide financial assistance to not more than two graduating seniors who wished to continue the educational process.

The original church building, now at 1155 West Commerce Road in Commerce Township, is recognized as one of the oldest United Methodist Churches in the State of Michigan. It was registered as a State of Michigan Historic Site in 1986.
